and made over whenever required for any such purpose as may be approved by Govt as being of general use to the matha.

One-half of the net surplus has since ~~been~~ been paid to the matha the Agent requests that a total sum of Rs 7875 be paid to him from the matha funds.

17) In the concluding para of his note dated 20th november 1915, the munz. Supdt states that after paying Rs 30,000 being one-half of the net surplus, there remains Rs 25,000 in loan paper and such cash surplus as may be found when the accounts are finally wound up which might come up to about two or three thousand rupees.

18) Submitted for orders.

(2) The next question is about the making over of the balance of the Cash securities to the Matha authorities for any such purpose as may be approved by Govt as being of general use to the Matha (Vide para 9 of the G O of 11-11-15). The Swamigalu wants this amount to be spent on building a new Matha with a temple and a Patthasala on the newly purchased site in the Sankara-pur Extension. For this an estimate and a plan has been prepared and submitted by the agent. As this has not been signed by any officer of the Matha or of the D P W, it is a point for consideration whether it can be accepted as an approved one.

DIARY No. 823

No. 671 dated 20.11.15

N O T E.

At para 9 of Government Order No.1129-44/M.F.349-14 dated 11th November 1915 re restoration to the Uttaradi Swamigalu of the Matha properties now under Government management, the Comptroller was requested to pay over immediately the cash available and to transfer duly endorsed Government paper sufficient to make up half the amount of the surplus at the credit of the Matha or at the option of the Swamigalu to sell and pay over the proceeds.

2. The Chief Agent of the Matha is come and has applied for payment in cash of half the surplus amount as he has immediately to pay to the remaining judgment-debtors the settled amounts.

3. The accurate cash balance cannot be arrived at immediately until the receipt of statements from the Districts The Comptroller has forwarded a circular letter to the Deputy Commissioners to close all Matha accounts by the end of the current month and the final cash balance at the credit of the Matha will be available thereafter.

4. In the meanwhile the Comptroller suggests that one half of the loan paper held on behalf of the Matha may be transferred to the marginally noted institutions at par and the amounts

1. Kyamenahalli Anjaneya. Rs.8500/-
2. Hatyalu Narasimhaswami 9000/-
3. Chaenchinkatte Sri Ramadevaru. 5000/-

payable to the Matha. Being Mysore Government Loan Paper carrying interest of 4% there seems to be no objection to accept such transfer on behalf of the institutions.

5. When the last instalment of Rs.10,000/- was sanctioned, this amount was treated as an advance to be adjusted from such sums as may be directed to be finally placed at the disposal of the Swamigalu for the settlement of the claims of the decree holders. (Vide Government Order No.963-4/Muz.F.143-15-4 dated 1st October 1915) It is represented that a sum of about Rs.20,000/- is still required to pay off the remaining decree holders. It seems to be sufficient, therefore that this amount is made available in addition to Rs.10,000/- already sanctioned. This would still leave Rs.25,000/- in loan papers and such cash surplus as may be found when the accounts are finally made up which it is believed may come up to about two or three thousand rupees. If the above proposal is approved the Comptroller may be requested to transfer Rs.20,000/- of loan papers to the under-mentioned institutions

Kyanemah Illi Anjaneya Rs.7000/-
Hatyalu Narasimha Swami 8000/-
Chunchinmatte Rama Devaru 5000/-
